Will your wedding be in the autumn? Fall leaves against a bright blue sky are an amazing backdrop to a send-off.

For a lovely scent, have your guests fill the air with the aroma of lavender buds or sprigs.

A canopy of crepe paper makes for great pictures! It’s easy to make. Go to JoyfulSendoff.org for directions.

Light up your evening send-off with glow sticks and LED wands! They make beautiful patterns in photos. For night send-offs, sparklers are also amazing (where allowed)!

Invite your family and friends to serenade you with musical instruments as you embark on your marriage!

Be sure to ask your wedding venue what they allow. For example, some wedding venues do not allow sparklers, or have a rule that they be used in outdoor areas only. Many venues allow biodegradable confetti made from leaves or flower petals, but may require a clean up fee.
